

## **SwingCats Danseklubb**

Dancing activity was still strongly affected by restrictions imposed to reduce COVID-19 infections.

### **Lindy Hop**

During the spring semester the Lindy Hop group had a couple dancing class for couples from the same household and a Solo Jazz class for individual dancers.

Temporary lifting of most severe restrictions after the summer holidays allowed conducting a beginner and an intermediate class. The beginner class was conducted in a new venue, Kunst Rom Arbeid (KRA) close to the city center. Here, self-practice sessions were regularly arranged on Sunday afternoons.

Social dancing activities were limited but became more frequent after the summer. SwingCats Lindy Hop managed to establish a good relationship with Bardello, a bar in the city center of Stavanger. Additionally, a social dance in Newsmen has been arranged.

Five dancers of SwingCats were invited to dance at a social event in FOMO in Forus and were able to showcase the Lindy Hop to a large audience.

### **West Coast Swing**

Våren 2021 var Norge fortsatt stengt på grunn av korona og WCS måtte legge ned kursene sine. Leien måtte betales fullt ut til NJS. WCS fikk reservert en time i stor sal 20.00-21.00, men den ble ikke brukt pga korona reglene. Lindy Hop overtok den time til undervisningen.

Høsten 2021

WCS kurs blev holdt fra 1 sept i stor sal. Man kunde velge att danse med fast partner eller bytte partner. Det var 22 WCS medlemmer høsten 2021 (9 menn og 13 kvinner). Socialdans startet igjen på Gausel bydelshus (torsdager) og Bjergsted bydelshus (tirsdager). Enkelte dansekvelder var også arrangert på Stage.

### **Boogie Woogie**

No classes because of the Corona restrictions and since both instructors work in critical medical services.
